

BIOGRAPHY

UNITED STATES AIR FORCE

MR. MICHAEL J. NEWMAN (Director of Staff, 711 HPW)

Mr. Michael Newman is the Director of Staff, 711th Human Performance Wing, Air Force Research Laboratory, Air Force Materiel Command, Wright-Patterson Air Force Base, Ohio. He defines, leads, and directs multidisciplinary mission support functions ensuring effective and efficient operations in Financial Management, Management Operations, and Plans and Programs for the Wing's Science and Technology and Defense Health Programs mission sets.

Mr. Newman's began his Air Force career in 1985 after graduating from The Citadel. He spent his military career as a Communications-Computer Systems officer in various assignments in fixed and mobile communications units stateside and overseas. He became a federal civilian in 2007 as the Information Assurance Officer/IT Operations Lead for the Human Effectiveness Directorate. In 2008, he became the Chief of the Computer/Network Support Division for the 711th Human Performance Wing as the Human Effectiveness Directorate and the USAF School of Aerospace Medicine, along with the Human Systems Integration Directorate merged to form the 711 HPW. In 2014, he became the Deputy, Management Operations, and in 2016 was selected to be the first civilian director of the Management Operations Directorate for the 711 HPW. On Sept. 30, 2018, Mr. Newman assumed duties as the 711 HPW Director of Staff leading all mission support activities supporting over 1,800 personnel advancing human performance in support of the war fighter.
