#### INSTRUCTIONS FOR COMPLETING THE SECURITY AND POLICY REVIEW WORKSHEET

**NOTE:** Items marked with an asterisk (\*) and Blocks 15-17 are required. Block 18 is required if 12d is checked YES, and Block 19 is required if 12e is checked YES. *If all required information is not provided, the case will be returned with no action taken and must be resubmitted.*

**Block 1:** Allow at least five (5) working days (*not including day of submission*) for local PA review, *and at least ten working days, not including the date of submission, for review at the SAF level. If a submission requires SAF review and at least ten working days is not provided, it will be returned with no action taken and will not be cleared for public release.* If a submission requires higher level review or other coordination, processing time could take up to 45 working days.

- Requests for less than five (5) working days, not including the day of submission, require a justification letter as to why the submission does not fall within the required time frame signed by the Directorate-Level Director, Commander or Deputy, or their Division Chief. *Documents received with less than working five (5) days without a justification letter will not be reviewed and will be returned with no action taken.* More information, including a justification letter template, is available on our [public web site](#).

- Depending on complexity or requirements for other coordination, items can take longer to process. You will be notified of any issues.
- Items already publicly presented or published will not be reviewed and will be returned with no action taken.

**Block 2:** Include your organizational reference/tracking number (optional). Tracking numbers will not be added by PA.

**Block 3:** Organizational submitter information. Self explanatory. These e-mail addresses receive notification when case is assigned and completed.

**Block 4:** Author(s) information: List primary author's name, if multiple authors. This e-mail address receives notification when case is assigned and completed.

**Blocks 6 & 7:** Identify date of event/name of publication where submission will be published, or web site URL where cleared material will be posted. Identify date of event or date of publication/posting to web site. *If the date in block 7 is before the date needed in block 1, the document will not be reviewed and will be returned with no action taken.*

**Block 8:** Identify the type of organization where information will be presented, or for documents, the type of publication/web site where it is to be presented/posted. If "Other" you must provide an explanation.

**Block 9:** If the document was created as part of your official duties/requirements, no disclaimer is needed. If it is a personal endeavor, you must include the standard disclaimer.

**Block 10:** Document type: Indicate the type of information to be reviewed from the pull down menu, or choose "Other" and fill in that blank.

**Block 11:** Identify the budget category or program element code associated with the weapon system from pull down menu, or choose NA. If other, you must fill in that box.

**Block 12:** National Security Statutes/Technology Issues. Materials that must be/are marked CUI or Distribution B or higher will not be cleared. Identify whether classified references are used. Annotate in Block 14 (Explanation) exact references and why it is necessary to use them.

- If 12.d. is marked YES and STINFO has not signed in Block 18, the document will be returned with no action taken.
- If 12.e. is marked YES and the S&T Protection Lead has not signed in Block 19, the document will be returned with no action taken.
- If 12.f. is marked YES, explain in Block 14.
- If 12.g. or h. is marked NO and release authority is not identified in block 14, the document will be returned with no action taken.

**Block 13:**

- PIA funded: provide the contract number and the Approval Officer must sign in Block 20 and identify themselves as such.
- AFOSR funded: provide the LRIR number and name of program officer.
- 6.x funded: Include the Work Unit # (WU) and the work unit manager's name (WUM).

**Block 14:** Explanation. Include additional comments from other blocks, list previous related cases, clearly identify coordination with agencies already accomplished, or identify the release authority if 12.f. or g. is marked NO. If additional coordination with other command agencies is required, provide POC information (use page 2 of the form as necessary).

**CERTIFICATION AND COORDINATION SIGNATURES. PER REGULATORY GUIDANCE, CONTRACTORS MAY NOT SIGN IN BLOCKS 15-20.**

**Block 15: (MANDATORY):** Originator/Program Manager/Author Certification. Signature certifies that the U.S. Government originator, program manager, or author concurs that the information is appropriate for public release based on regulations, classification guides, and any other pertinent guidance.

**Block 16: (MANDATORY):** Technical Review and Certification. Signature certifies that the information has been reviewed by a U.S. Government superior/authorized peer reviewer/subject matter expert and is appropriate for public release based on regulations, classification guides, and any other pertinent guidance.

**Block 17: (MANDATORY):** OPSEC Review. Signature certifies that the information contains no Operational Security issues. This can be signed by a U.S. Government OPSEC Officer or Security Manager.

**Block 18: (MANDATORY) (Only if Block 12. d. is marked YES):** STINFO review. Signature certifies that the information has been reviewed and may be released IAW the guidelines of DoDI 5230.24 and AFI 61-201. **DO NOT** use for other signatures.

**Block 19: (MANDATORY) (Only if Block 12. e. is marked YES):** S&T Protection Lead. Signature certifies that the information has been reviewed and may be released IAW the guidelines. of AFRLI 61-113. **DO NOT** use for other signatures.

**Block 20:** Additional review as necessary. Used to document coordination with outside agencies/program offices, PIA Approval Officer or if organizations have an internal process that requires an additional signature. Required only when external coordination needs to be documented, or if internal processes dictate.
